INTERNSHIP OFFER LETTER

Role Title: Software Developer Intern

Date: 11 May 2026

To,

Pranav Manurkar

Roll No.: 230005026

Indian Institute of Technology Indore

Dear Pranav,

We are pleased to offer you an internship at the Indian Institute of Technology Indore for the project described below. This letter confirms your selection and outlines the scope, technical responsibilities, and terms of this engagement.

1. Internship Details

Role Title	Software Developer Intern
Intern Name	Pranav Manurkar
Roll No.	230005026
College / University	Indian Institute of Technology Indore
Supervising Faculty	Prof. Rupesh Devan & Prof. KV Vamsi
Projects	Full Redesign of tdmtg.iiti.ac.in — TDMTG Conference Website Redesign of kvvamsi.profiles.iiti.ac.in — KV Vamsi Research Group Website
Duration	11 May 2026 – 05 July 2026 (8 Weeks)
Mode	On-site within Institute

2. Project Overview

This internship encompasses two integrated web development projects under the joint supervision of Prof. Rupesh Devan and Prof. KV Vamsi. Both projects are built on a shared full-stack architecture and are to be executed sequentially within the 8-week engagement. The first six weeks are dedicated to the full redesign and deployment of the TDMTG Conference Website (tdmtg.iiti.ac.in), followed by two weeks focused on the redesign of the KV Vamsi Research Group Website (kvvamsi.profiles.iiti.ac.in). Given the shared technology stack, skills, and codebase patterns across both projects, the intern will work in a continuous development workflow without context-switching overhead.

3. Technical Scope & Responsibilities

The intern will be actively involved in the following technical areas:

- Full-stack development using Next.js (React + TypeScript) for the frontend.
- Django REST Framework backend with MySQL database design and optimization.
- REST API design, implementation, and integration.
- User authentication systems using JWT / Supabase.
- Component-based UI development with Radix UI.
- Git version control and collaborative development practices.

4. Key Features to be Developed

The following features form the core of the project deliverables across both projects:

- Conference registration and participant management system.
- Speaker profile and paper submission management module.
- Real-time scheduling interface and administrative dashboard.
- Sponsorship and workshop management modules.
- User authentication and role-based authorization.
- Responsive web design across devices and screen sizes.
- Publications section with filters and Google Scholar / ORCID integration.
- Team, Projects, News, and Lab Facilities sections with an update-friendly structure.
- Admin content management interface for non-technical staff.

5. Expected Deliverables

- Fully functional and deployed responsive conference website at tdmtg.iiti.ac.in.
- Working participant registration system with speaker and paper submission portal.
- Real-time schedule, dashboard, sponsorship, and workshop management modules.
- Fully functional modern research group website at kvvamsi.profiles.iiti.ac.in.
- Admin content management guide for non-technical staff.
- Source code repository with inline documentation and README for both projects.
- Final internship report and project handover notes.

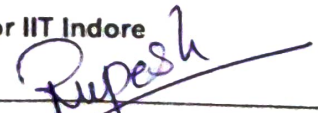

6. Terms & Conditions

- This is an on-site within institute internship at IIT Indore.
- The intern shall adhere to all IIT Indore institutional rules, codes of conduct, and IT usage policies.
- All work output including code, designs, databases, and documentation produced during this internship shall be the intellectual property of IIT Indore.
- A Non-Disclosure Agreement (NDA) is signed between the parties covering several project parameters; full details are withheld for confidentiality reasons. The intern is bound by the provisions of the NDA for the duration of the internship and thereafter as stipulated therein.
- The intern shall not share, reproduce, or distribute any project-related data, credentials, or materials outside the project team without explicit written consent from the supervising faculty.
- The institute reserves the right to terminate this internship with prior notice in the event of unsatisfactory performance or violation of the terms herein.
- A certificate of completion will be issued upon successful delivery of all expected deliverables and satisfactory performance as evaluated by the supervising faculty.

7. Signatures
